Whispering: I am asleep but my heart is awake... my heart is awake...  
my heart.

Inhaling: You who have a white neck,  
And I who have a razor-sharp knife,  
Nightingale and silk- for you,  
White neck, nightingale and silk- for you  
Whorehouses- for me.

Whispering: My lover's voice is knocking...

Whispering: Open to me,  
My sister, my dove, my innocent.  
My wife, my wife.

My wwwife, my ssssis.

Whispering: For my head is drenched with dew, my locks with the moisture  
of the night  
I have put off my robe; must I put it on again?

Vomiting: When you come to sleep with me

Whispering: I have bathed my legs.

Vomiting: You will be wearing a policeman's uniform

[Duet]

Inhaling: And if one bloody day  
You fall conquered into my arms-  
Your shout will be drowned out by the roar of my voice.  
For know how I will love

Vomiting: Torture me  
Get my secrets out of me  
I won't be a man  
I will confess  
Break down  
Sing like a canary at once  
Turn everybody in

[Solo]

Inhaling: Like a panther trampling  
Over the victim  
of its lust with its saliva frothing at the mouth-  
From my hiding place I shall spring,  
And in between my fangs  
will the soul of my prey be crushed.

I won't know you, woman,  
Since inside you I will love another-  
The one that died deep within without you noticing.

Today it is no longer you  
Your shadow is chasing after me, the savage,  
To put the handcuffs of culture on a wild love.

[Trio]

Whispering: My lover sent his hand from the **H—O—L—E**

Inhaling: Did I make your nose bleed?-  
Forgive me, tarnished love,  
You and I - foreigners to each other, let me go, for my sake.  
You who have a white neck,  
And I who have a razor-sharp knife,  
Nightingale and silk- for you, whorehouses- for me.

Vomiting: Spit on me  
Kick me in the stomach  
Break my teeth  
Take me out in an ambulance  
To the future  
To tomorrow

[Solo]

To the future
